PROJECT CONCEPT NOTE

1	Name of Project	“2 MW Gogripur Hydro Power Project ” in District Karnal in Village Gogripur in Haryana by M/s. P&R Gogripur Hydro Power Pvt. Ltd
2.	Location of the Project (Village / District / State)	in District Karnal in Village Gogripur in Haryana
3.	Brief Description of the Project	Gogripur hydro project is a proposed canal based hydroelectric project, utilizing the flows and head available at NBK Diversion channel of Western Jamuna Canal (WJC) in village Gogripur, district Karnal of Haryana. The Project activity will have the total installed capacity of 2 MW (2X1000 kW). P&R Gogripur Hydro Power Pvt. Ltd. is the owner of the project, who has planned to supply the generated power, from the project activity, to the Northern grid by connecting it with HSEB transmission lines. The expected date of commissioning of the project is Jun 2009. Since the project activity generates electricity through sustainable means, it will not cause any negative impact on the environment and there by contributes to climate change mitigation efforts.
4.	Estimate of GHG abatement in tCO ₂ eq.	18424
5.	Host Country Approval Status	Approved
6.	Project Owner / Proponent	Mr. Amardeep Singh Waseer General Manager Power Plant P&R Gogripur Hydro Power Pvt. Ltd. Sector 35-A, Quiet Office No. 7, 2nd Floor Chandigarh, Haryana-160036
7.	Baseline Methodology	I.D: Grid connected renewable electricity generation, Version 13
8.	Project Start date	December 2008 (Work Order for Civil Works).
9.	Project completion date	Project is under construction and is expected to be commissioned by Nov 2009.
